League of Legends Wild Rift Android Apk File Info: App Name League_of_Legends.Mod.Apk File Size 85.10MB latest version v1.0.0 Operating system Android 4.0 and even Developer Riot Games Updated Release 16 October 2019 Google Play Store LoL Wild Rift on Play Store LoL Mobile Gameplay Preview: The possibility of MOBA League of Legends in the smartphone version of the game began to take place back in 2012 , but the studio Riot Games was in no hurry to deny or confirm the rumors. It wasn't until the coming of 2019 that the company announced an upcoming release of a new version of Wild Rift that supports mobile devices running android and iOS. To update LOL Mobile 2020, a new monitoring system has been developed to help gamers comfortably control the characters of smartphones. The developer said it is out of LOL Mobile: Wild Rift is scheduled for 2020,000. The game will be free. Players will be able to download and fight Champions Donato. However, experience has shown that Riot Games finds a way to get fans to buy for real money in the in-game store. The version of the consoles may be released later. LoL Mobile Wild Rift is not a cross-platform version. Software for mobile, consoles, and your computer will be different. Therefore, to play in the same world, different devices will not work, you can not even move things and players, but the time spent playing on the PC, you will receive a fee. The Studio has not yet released details about the nature of the reward and gifts. League of Legends Wild Rift Battle System: According to developers, immediately after the release smartphone owners will be able to play: All pre-existing maps and modes 40 Champions (a list to expand over time) New content representatives of Riot Games promises that the mobile version is fully consistent with the original. To achieve this, it was necessary almost from scratch to write the code, update the model, and animation. With this, the game remains the same as all loved original MOBA. LoL WR Apk will be available in the Google Play Store after registration.
